

Overview

Autumn 1 for us is all about learning about ourselves and our world. We will spend time learning about ourselves in PSHE, learning about the school and the local area in Geography and exploring that world in Science.

Maths

In maths we are learning place value within 10 and addition this term. Children will learn how to count forwards and backward, identify 1 more and 1 less, use a number line. We introduce $<$, $>$ and $=$ symbols as well as a part-part-whole model.

Topic

In Geography, we are learning about our local area and learning how to use a map. We will learn about Salisbury and our school. We will learn how to find these on a map and how to use a map to navigate the school. We will even make a 3D map of our classroom!

English

This term we are focussing on well-known and classic tales!

We are reading:

Elmer

Owl Babies

Lost and Found.

This term we are introducing colourful semantics in our English lessons to support children writing sentences about our stories.

Froglet's Knowledge Organiser

Autumn 1

Science

We will be learning about the materials all around us. We will explore what different materials objects are made out of and their properties. We will identify recyclable and non-recyclable materials. We will experiment with waterproof materials by making boats!

PSHE

In PSHE we are learning all about ourselves! We will look at what makes us special as well as our special friends and family and how to be a good friend!

PE

We are developing our bike skills using both our balance bikes and pedal bikes.
